YOUR FUTURE CAREER STARTS HERE!

The National Training Centre Youth Program is a joint initiative between Football Federation Victoria, Sports Education and Development Australia, partner host schools, and Victoria University, specifically designed for young people interested in a career in Sport and Recreation or other like industries.

Students can complete their VCE, VCAL and certificates III and IV in Sport and Recreation leading to a Diploma of Sport (Development). Core curriculum involves theoretical and practical experience in sports administration, fitness and coaching.

WHAT'S IN IT FOR ME?

- Daily training sessions
- Access to FFV Coaches and facilities
- An educational pathway with the potential to access higher education
- A Football Federation Victoria uniform
- Use of a notebook computer
