YOUR FUTURE CAREER STARTS HERE!

The Sports Development Program is a joint initiative between Football Federation Victoria, Sports Education and Development Australia, partner host schools, and Victoria University, specifically designed for young people interested in a career in Sport and Recreation or other like industries.

The program offers current year 10, 11 and 12 students the opportunity to complete their education within the Sport and Recreation industry whilst forging a pathway to meaningful employment or further study.

WHAT'S IN IT FOR ME?

- An excellent pathway to higher education
- The opportunity to work with industry experts
- An interesting and challenging curriculum
- Varied practical learning opportunities
- A full FFV SDP uniform
- Use of a Notebook computer

AM I ELIGIBLE?

- Program is open to students aged 16 -19
- Selection is not dependent on sports skill
